

# Covid-Adjusted Instructional Plan Summer 2020

A labeled photograph of the Loop Pop Up Park where classes will be held. Please note parking, entrance and exit.

**At Jabberwocky, protecting and improving the physical, social and emotional health of our students and teachers is our number one priority. After careful consideration, the board of directors has decided to move ahead with summer programming under the following rules and procedures:**

1. Instructors, students and family members will be masked at all times while they are in the park, except that those who are sheltering together may unmask after they are seated at a table for the duration of the time that they are seated. These rules comply with City Order 2020-07 of the Columbia Department of Public Health which is in effect at least until August 10, 2020.
2. People will endeavor to maintain 6 feet distance among themselves while in the park. Dancers will stay on marked spaces (about 10 feet apart) unless directed to do otherwise by the instructor. Please speak to younger children about the importance of compliance at this time. If a child behaves in a manner that may put others at risk, they will be asked to leave at the discretion of the instructor. No refund will be offered for the class.
3. If you arrive while the previous class is still in the park, please wait in your car until occupants have exited the park. Once your class is over, please exit quickly through the south gate facing business loop.
4. When it is time to enter the park, enter on the north side, away from Business Loop 70.

What we will have:

1. Hand sanitizer at the entrance and exit to the park. Please use it.
2. Bottled water available for free.
3. A large fan to help cool dancers.
4. A mister. (We are working on this.)
5. An understanding that class expectations and pace may need to be adjusted based on the weather, temperature and new rules.
6. An eagerness to serve participants in the interest of alleviating boredom, stress and isolation.

What you will need:

1. A signed copy of these rules.
2. Masks for everyone in your group.
3. A commitment to stay at home in you or a family member are sick or know that you may have been exposed to somebody who has tested Covid positive.
4. Patience and a willingness to provide constructive feedback about our new procedures.

To learn more about how to wear and remove a cloth face mask and other measures you can take to beat Covid visit <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-wear-cloth-face-coverings.html>

I have read and understand this document and I am willing and able to comply with all of the rules and procedures outlined herein.
